

Lead Stylists

Imagine taking your career to a new level by growing with us!

We're a totally different company than most any in New England and one of the fastest growing full service salon and spas in New Hampshire. Our performance based pay system provides stability and focuses on individual growth in all aspects of your career as well as offering an excellent benefits package. We value providing our clients the ultimate experience every time they walk through our doors regardless of what stylist or technician they see. We are a team and a tight knit group who love to have fun together, but most importantly, we love to make our clients feel special. After all, we're in the feel good business!

If you have a valid New Hampshire Cosmetology License and:

- Demonstrated mastery of the most up-to-date cut and color techniques and have the ability to teach these techniques to our team;
- at least 100 hours of continuing education through in-salon training and attendance at approved education based hair classes;
- A passion for people and customer service;
- Strong communication skills;
- Ability to develop long-term client relationships;
- Strong organizational skills;
- A flexible, reliable, and conscientious approach to working;
- A love of learning;
- Prior mentoring and teaching experience;
- Are an experienced team leader; and
- Familiarity with Paul Mitchell or Aveda

We are looking for you! SunDay's is located in picturesque Laconia, New Hampshire. Our benefits package includes: team-based hourly pay; monthly bonus potential; employer sponsored health insurance; vacation time; discounts on services and products for yourself and your family; unlimited learning potential through on the job training and education based courses.
