Late Arrivals: If you or a member of your party arrives late on the day of your services, it may cause a reduction in the appointment time or limit the number of services that can be completed, regardless of your contract. Our goal is to have the bride completed; therefore, we reserve the right to adjust/limit the schedule accordingly. If we cannot complete a service because of a late arrival you will still be charged in full for that service. We encourage you to share this policy with your bridal party in advance.
